Dear Mr. Laos,

A Notice of Hearing containing allegations based on reported violations of pharmacy related statutes or rules is contained in this mailing citing the specific violations of the pharmacy law.

In the interest of saving you the time, expense and inconvenience of a formal hearing in this matter, we have included a Consent Agreement and Proposed Board Order.

A pre-hearing conference has been established for 11:00 AM on March 6, 1991 at the Arizona State Board of Pharmacy Office where you will be extended the opportunity to meet with one Board Member and two staff people to discuss the allegations and the proposed Consent and Board Order. Should you agree to the conditions, you would not be required to appear before the Board for a formal hearing. Finalization of the Matter would occur after it has been accepted by the Board at the meeting of March 28, 1991.

The pre-hearing conference is intended to clarify your position in this matter and answer any questions you might have on your rights in this matter. Your attendance at the pre-hearing conference does not obligate you to enter into any agreement at that time but is only intended to offer you the opportunity to dispose of the matter with the least inconvenience to you.

Please contact me at this office to confirm or refuse attendance at the conference or for any further questions you might have.

Sincerely,

Joe J. Rowan  
Deputy Director
